The Victoria Disability Resource Centre sends a warm farewell to one of our team members.

Gina Martin, facilitator for the Victoria Disability Resource Centre's (VDRC) [Lived Experiences Around Disability](#) (LEAD) and [Disability Inclusion & Awareness](#) (DIA) programs, has chosen to pursue new opportunities and will be moving on from the VDRC.

We wish her all the best and thank her for the experience and passion she brought to our organization.

We are happy to introduce Erin Davis as the new facilitator and contact for both LEAD and DIA. Erin has been co-facilitating these programs for several months, so the transition will be seamless. Erin will step into these roles on March 16, 2023.

Erin has many years of experience working in the cross-disability field. She is a person with lived experience and has a child who also lives with an invisible disability. Her unique perspective, experience, and openness to continual learning makes her an excellent facilitator for both of these programs.

The contact emails will remain the same, educator@drcvictoria.com for LEAD and inclusion@drcvictoria.com for DIA.

To contact Erin by phone, please call 250-595-0044 ext. 103.
